Managing Director

Warsi Nursing Home
Mantraj Kashmir

Subject:- Installation of E.T. Plant capacity=15 K.L.D. — at
your Hospital Mantraj

Sir,

We are pleased to inform you that as per your purchase order we completed the installation of Filter (15) = 15 K.L.D. packaged type effluent treatment plant/ at your hospital. The plant is based on M.B.B.R Technology and stands hand over to you, it is advised to operate the plant as per the instructions conveyed.

Bacterial culture chemical is recommended to be dosed for growth of bacterial culture.

Regards
